

Our aim at Sales Academy is to give you the smoothest and simplest experience while you browse our website. To continually enhance your experience, we use cookies that store your preferences and give us data about what pages you visited, how much time you spent on our site etc. This helps us to improve your experience on our website. The cookies used do not store any information that is personal in nature and it is only analysed in an aggregated manner.

Please find below some more information regarding cookies and their use on our website:

What are Cookies?

A cookie is a simple text file that is stored on your computer or mobile device by a website's server and only that server will be able to retrieve or read the contents of that cookie. Every cookie is unique to your web browser. It will contain some anonymous information such as a unique identifier and the site name and some digits and numbers.

How can you manage cookies?

To enable cookies

If you're not sure of the type and version of web browser, you use to access the Internet:

For PCs: click on 'Help' at the top of your browser window and select the 'About' option

For Macs: with the browser window, open, click on the Apple menu and select the 'About' option

How to check cookies are enabled for PCs

chrome

Google Chrome

Click on 'Tools' at the top of your browser window and select Options

Click the 'Under the Hood' tab, locate the 'Privacy' section, and select the 'Content settings' button

Now select 'Allow local data to be set'

ie

Microsoft Internet Explorer 6.0, 7.0, 8.0

Click on 'Tools' at the top of your browser window and select 'Internet options', then click on the 'Privacy' tab

Ensure that your Privacy level is set to Medium or below, which will enable cookies in your browser

Settings above Medium will disable cookies

firefox

Mozilla Firefox

Click on 'Tools' at the top of your browser window and select Options

Then select the Privacy icon

Click on Cookies, then select 'allow sites to set cookies'

safari

Safari

Click on the Cog icon at the top of your browser window and select the 'Preferences' option

Click on 'Security', check the option that says 'Block third-party and advertising cookies'

Click 'Save'

How to check cookies are enabled for Macs

ie

Microsoft Internet Explorer 5.0 on OSX

Click on 'Explorer' at the top of your browser window and select 'Preferences' options

Scroll down until you see 'Cookies' under Receiving Files

Select the 'Never Ask' option

safari

Safari on OSX

Click on 'Safari' at the top of your browser window and select the 'Preferences' option

Click on 'Security' then 'Accept cookies'

Select the 'Only from site you navigate to'

netscape

Mozilla and Netscape on OSX

Click on 'Mozilla' or 'Netscape' at the top of your browser window and select the 'Preferences' option

Scroll down until you see cookies under 'Privacy & Security'

Select 'Enable cookies for the originating web site only'

opera

Opera

Click on 'Menu' at the top of your browser window and select 'Settings'

Then select 'Preferences', select the 'Advanced' tab

Then select 'Accept cookies' option

All other browsers

Please consult your documentation or online help files.

How to Disable Cookies:

All modern browsers allow you to change your cookie preferences. These are generally found in the options menu on the browser.

Further information about cookies

If you'd like to learn more about cookies in general and how to manage them, visit www.aboutcookies.org (opens in a new window - please note that we can't be responsible for the content of external websites).

Changes to this policy

The above may change at any time. We will endeavour to notify you of any major changes but you may wish to check it each time you visit our website.
